The project team is looking to combine those projects with the ADC kitchen equipment and remodel upgrade. Initially, the team had considered using the Oxbow Jail kitchen to prepare meals and transport them to the Metro Jail (or ADC), but the kitchen is not large enough for this. Instead, a temporary kitchen will be created at the Metro Jail to remove the strain of transporting meals. The master plan was completed late last year, followed by a Request for Proposal (RFP). The contract was signed, and the design kickoff was held February 14, 2024.
